## Fantasy Tokyo-Ology Overview

Welcome to the guide that helps you to enjoy this summer's games in Tokyo in an active, participatory manner! We have a draft board and suggested league guidelines for the hoops competition, which is similar to the format based around the NBA Playoffs. Additionally, we have suggested league guidelines and relevant recent history for a game that we devised around the medal count. These games reinforce FantasyDrafthelp.com's commitment to the widest span of fantasy coverage anywhere and our strong belief that events of this nature are even more fun when you and your friends enjoy them with your own form of competition.

## Fantasy Medals Game Suggested League Guidelines & Draft Board

We suggest a standard serpentine draft with 6 owners selecting 7 countries or 7 owners selecting 5 countries. The owner who selects the United States team should forfeit their second-round pick to level the playing field because of the historically-large advantage held by American athletes. 12 points would be awarded for each gold medal, 8 for each silver medal and 4 for each bronze medal. The draft board below lists the medal count for countries in the 2012 and 2008 Olympics and also how they would have scored on our point system. NOTE: The Russian team is not listed because of their ban.
