Fantasy FarEastWinterGamesOlogy Overview

Welcome to the guide that helps you to enjoy this winter's games in an active, participatory manner! We have suggested league guidelines and relevant recent history for a game that we devised around the medal count.

These games reinforce FantasyDrafthelp.com's commitment to the widest span of fantasy coverage anywhere and our strong belief that events of this nature are even more fun when you and your friends enjoy them with your own form of competition.

For the Overall Medals Table and the one for each event, we provide the numbers of gold, silver and bronze medals won by each country that made the podium. One other note: we refer simply to "Russia" for each event because, although the athletes are forced to compete under a pseudonym because of sanctions, they are still identified as Russian athletes.

Fantasy Medals Game Suggested League Guidelines

Here is our points system: 12 points are awarded for a gold medal, 8 points for a silver medal and 4 points for a bronze medal.

We suggest that you conduct a standard serpentine draft with five owners, each drafting five teams.

THE TOP 75 PLAYERS IN PRO BASKETBALL HISTORY

The NBA's 75th Anniversary has prompted a wave of Best-Of lists, but few with the substance to reinforce the selections. Authors Rick Morris, Ben Chew and Russ Cohen came together to create a list of the top 75 pro basketball players ever, with evidence to justify the placement of each -- as well as biographical details, comparisons of various legends, little-known-but-interesting tidbits, what-if scenarios and much more. Additionally, the book includes our year-by-year ranking of the top players in pro basketball and rosters for hypothetical "Olympic Dream Teams" had they existed prior to 1992. This is a book that is crafted for sports fans who are interested in learning more about the rich history of pro basketball.
