Lessons of "The Stat"**

Draft Board Decoder

The FantasyDrafthelp.com draft board contains all the relevant information you need right at your fingertips.

* Players are color-coded by their value by round in a 6-team draft. 1st round is gold, 2nd round silver and 3rd round is bronze.

* The "Exp" column shows how players ranked on an "Experts Draft Board" compilation of other leading industry sources.

* The placement of each driver in the final standings for the past three seasons is listed, with numbers shaded in grey indicating the Chase for the Championship. Also listed are the number of wins and Top 10s.

Full Spectrum of Racing Coverage

You are reading the latest incarnation of what had once been known as FANTASY NASCAR DRAFTOLOGY. The horizon has now been broadened with the inclusion of IndyCar, Formula One and NHRA draft boards and suggested league guidelines. We have covered all of these sports previously as part of our niche sports banner. We are proud to present our unified racing coverage here, demonstrating how to win with value everywhere. These strategies are universal across different sports.

Fantasy NASCAR Suggested League Guidelines

The best way to organize a league is by allocating talent through a six-round standard serpentine draft with six owners. Teams accumulate the sum total of the NASCAR points earned by each driver throughout the course of the season, with no transactions made. Additionally, bonus points are awarded for the top five racers in the final standings: 1. 1000 points 2. 750 points 3. 500 points 4. 250 points 5. 125 points.

FANTASY RACING DRAFTOLOGY 2022 Page 3

Ultimate Fantasy Racing League Guidelines

This ultimate racing game combines the draft boards for NASCAR, Indy Car, F1 and the four NHRA circuits. A league would ideally consist of five owners drafting 15 drivers (two from each of the above-mentioned circuits and one additional "wild card" pick. Points are awarded as follows: 50 points for winning a circuit championship, 40 points for 2nd place, 32 points for 3rd place, 24 points for 4th place and 15 points for 5th place. The first tiebreaker is the number of championships and the 2nd tiebreaker is 2nd-place finishes.

SUGGESTED LEAGUE GUIDELINES

We recommend utilizing a four-round standard serpentine draft with four owners (or a three-round serpentine draft with five owners) with points being awarded based on the IndyCar scoring system. There would be an additional 50-point bonus to the team that contains the series champion for the year.

The 21st Century Media Alliance

What initially began as a small coalition of like-minded growing New Media and creative organizations has flourished into a well-rounded creative juggernaut of more than two dozen entities that transcends the notion of traditional labeling. The 21st Century Media Alliance is an umbrella of cooperative companies and professionals that is pursuing many synergistic opportunities and projects. Possessed of varying yet often complementary skill sets, Alliance members are bound by their core principles of inventiveness, communication, pragmatism and dedication to their efforts and those of the larger group. In a great many creative areas, if you're looking to have a job performed the right way, chances are that you need look no further than The 21st Century Media Alliance.

SUGGESTED LEAGUE GUIDELINES

We recommend utilizing a four-round standard serpentine draft (with four owners or a three-round standard serpentine draft with five owners) with points being awarded based on the Formula One scoring system. There would be an additional 50-point bonus to the team that contains the series champion for the year.

THE TOP 75 PLAYERS IN PRO BASKETBALL HISTORY

The NBA's 75th Anniversary has prompted a wave of Best-Of lists, but few with the substance to reinforce the selections. Authors Rick Morris, Ben Chew and Russ Cohen came together to create a list of the top 75 pro basketball players ever, with evidence to justify the placement of each -- as well as biographical details, comparisons of various legends, little-known-but-interesting tidbits, what-if scenarios and much more.

Additionally, the book includes our year-by-year ranking of the top players in pro basketball and rosters for hypothetical "Olympic Dream Teams" had they existed prior to 1992. This is a book that is crafted for sports fans who are interested in learning more about the rich history of pro basketball.

SUGGESTED LEAGUE GUIDELINES

We recommend utilizing a nine-round standard serpentine draft with five owners (or a five-round serpentine draft with six, seven or eight owners) with points being awarded based on the NHRA scoring system. For the nine-round format, two drivers from each division must be selected with one additional "wild card" selection at the discretion of each owner; for the five-round format, one driver from each division must be selected with one additional "wild card" per team. There would be an additional 250-point bonus to any team that contains a series champion for the year.

The FDH Lounge: Nothing is Off-topic. Nothing.

PIONEERS OF BASEBALL
A fascinating profile of the national pastime's overlooked history: the teams, the stars and the events that would shape a sport heading into the 20th century. Available at Amazon and other fine booksellers.

Don't Be That Guy in Fantasy NASCAR This Year!

Don't Be That Guy that "marks out" for his favorite driver. If that driver happens to be a good "value pick" on the board, so be it. But if you reach for a driver for personal reasons, you'll live to regret it. More than in any other sport, fantasy NASCAR owners make foolish picks for reasons of personal fandom and smart competitors always benefit ... **Don't Be That Guy that doesn't pay enough attention to track types when drafting.** You can't win without a number of drivers who run strong on intermediate-length tracks, because they account for approximately 2/3 of the races — but keep your team balanced overall aside from that.
