## Fantasy Paris-Ology Overview

Welcome to the guide that helps you to enjoy this summer's games in Tokyo in an active, participatory manner! We have a draft board and suggested league guidelines for the hoops competition, which is similar to the format based around the NBA Playoffs. Additionally, we have suggested league guidelines and relevant recent history for a game that we devised around the medal count. These games reinforce FantasyDrafthelp.com's commitment to the widest span of fantasy coverage anywhere and our strong belief that events of this nature are even more fun when you and your friends enjoy them with your own form of competition.

## Fantasy Medals Game Suggested League Guidelines & Draft Board

We suggest a standard serpentine draft with 5 owners selecting 7 countries, 6 owners selecting 6 countries or 7 owners selecting 5 countries. The owner who selects the United States team should forfeit their second-round pick to level the playing field because of the historically-large advantage held by American athletes. 12 points would be awarded for each gold medal, 8 for each silver medal and 4 for each bronze medal. The draft board below lists the medal count for countries in the 2020 and 2016 Olympics and also how they would have scored on our point system. NOTE: The Russian team is not listed because of their ban.

## THE TOP 75 PLAYERS IN PRO BASKETBALL HISTORY

The NBA's 75th Anniversary has prompted a wave of Best-Of lists, but few with the substance to reinforce the selections. Authors Rick Morris, Ben Chew and Russ Cohen came together to create a list of the top 75 pro basketball players ever, with evidence to justify the placement of each -- as well as biographical details, comparisons of various legends, little-known-but-interesting tidbits, what-if scenarios and much more. Additionally, the book includes our year-by-year ranking of the top players in pro basketball and rosters for hypothetical "Olympic Dream Teams" had they existed prior to 1992. This is a book that is crafted for sports fans who are interested in learning more about the rich history of pro basketball. Available on Amazon.com
